I sent her an email, and tried to call, but it appears from her calendar that she is out of the office for the rest of the week. So, I guess we'll see if/when she responds.

Thanks Sara. Yes, please follow-up with Terri. Also, the e-mail chain below indicates that you will be invited to the next OCE Bi-weekly with Susan/Patrick to discuss the OCE issues on MM2A. Please confirm you will be invited and attend.

Also, at our next OC Bi-weekly, we will raise the joint OAR/OECA memo referencing the Wehrum memo in future ADs. Make sure Terri is aware and is invited to attend if she would like.

Rob, we will need to put together a response to John and Kate on the string below regarding coordination with OCE on rules, and MM2A in particular.

Yes. Let's discuss the coordination process with OCE overall so we all understand how this is supposed to be working and what adjustments may be needed on our end or OCE's end. Thx

I thought these actions are coordinated with OCE? The note below gives a different impression unless I am reading it wrong. Let's discuss. Thx

Patrick –

Both OC and OCE have staff on the MM2A rulemaking. My understanding is that they have divided up the issues.

Susan,

There are a couple of upcoming CAA rulemaking actions that we need your input on. They include the following:

1. Major Source 2 Area Source (MM2A) Proposed Rulemaking — Option Selection Meeting is scheduled for September 27th and Analytic Blueprint waiver request
